Summer Challenge

Minimalist Swansea Challenge

We have decided to issue our summer challenge early this year because we do not know when or if another lockdown may curtail your photographic outings.

What is the challenge

The challenge is to find a way to represent Swansea in minimalist images.

What do I need to do?

You need to provide 3 minimalist standalone images plus a minimalist triptych image which does not include any of the standalone images.

What is a minimalist image?

Have a look at these definitions of what a minimalist should be then apply that to your images of Swansea.

All images should follow the sizing and naming rules for or PDI competitions, and should be submitted to pdentries@morrisoncameraclub.co.uk in the usual manner. These rules can be found on our club website.
