

## Morrison Camera Club

### Annual Exhibition Goes Virtual!

Morrison Camera Club Annual Exhibition will be making its online debut this year, bringing together images capturing a variety of themes from its members.

Due to the current circumstances, we have had to adapt, so this year we will be presenting our images for our Annual Exhibition online.

We can make a stunning display of images and show them off to the general public to showcase the kind of work we do.

We are asking each Member to submit:

3 of your best and favourable images.

Entries via PhotoEntry and don't forget the image titles.

2 will definitely be shown, but 1 we wish to keep in reserve depending on number of entries.

Please enter your images in order of rank: 1-2-3.

PhotoEntry will be open for exhibition entries from 17<sup>th</sup> July 2021 and the closing date is 13<sup>th</sup> August 2021. The date of the exhibition itself is yet to be announced.

We look forward to seeing your favourite pictures!

Please see our website [morrisoncameraclub.co.uk](http://morrisoncameraclub.co.uk) for further information and details about the club.
