MARK MUMFORD FRPS
FRIDAY 24th NOVEMBER 7.00pm

Due to the Xmas Lights Switch-on in Morryston the town centre is closed on Friday evening, so we meet instead at

MORRISTON GOLF CLUB at 7.00pm

We welcome the talented graphic designer and photographer Mark Mumford FRPS to present his new surreal images 'Pixel Twisting'. Please visit the Royal Photographic Society to view his amazing state-of-the-art images at www.rps.org.

His presentation will hopefully inspire you to be more creative and different in preparation for our Xmas Challenge. Full details of the challenge, issued by Kevin Walters, are now available on our website courtesy of Webmaster Peter Fry.

Thank you.
