Additional Information

- There is a car park opposite the entrance to the falls and there is also plenty of lay-by parking nearby.
- An easy walk suitable for all.
- Please ask our experienced photographers if you need extra help with camera settings etc., they will be delighted to assist you.
- We will notify you if there are any changes to these arrangements by email and our Facebook page.

We will only open the Crypt for a workshop style evening if weather conditions prevent us from proceeding with the field trip. Please bring your camera equipment regardless of weather conditions.
