FIELD TRIP TO SINGLETON PARK & FORESHORE

*****FRIDAY 21st JULY*****

ALL MEMBERS WELCOME

As the weather forecast looks good there will be a field trip on Friday 21st July. We set off from St.David's Church car park (our club evening venue in Morriston) at 7.00 pm to visit Singleton Park and Foreshore.

Additional Information

- Park in the car park at the rear of 'Pub on the Pond' www.fayre-square.com/pub/pub-on-the-pond-swanseap0860/ at Singleton Boating Lake. There will be a variety of different photo opportunities, with easy access to Singleton Park, the University campus and the foreshore.
- Provided the weather holds for us and if you wish, you can go directly to the location. We will notify you if there are any changes to these arrangements by email and our Facebook page.

We will only open the Crypt for a workshop style evening if weather conditions prevent us from proceeding with the field trip. Please bring your camera equipment regardless of weather conditions.

Notice of forthcoming field trip on Friday 28th July

Crymlyn Bog Nature Reserve and SSSI. – Big thanks to Paul Dennis who has managed to arrange access to the car park for us which normally closes at 6.00 pm. An opportunity to bring your long lenses and pick up a few tips from our wildlife photographers and do some macro photography as well. More details to follow next week.
