FIELD TRIP TO CRYMLYN BURROWS NATIONAL NATURE RESERVE

*****FRIDAY 28st JULY*****

ALL MEMBERS WELCOME

There will be a field trip (weather permitting) on Friday 28st July. We set off from St.David's Church car park (our club evening venue in Morriston) at 7.00 pm to visit Crymlyn Burrows.

Additional Information

- Walking is mostly level, but there is a slight incline back to the car park about 50 to 60 metres long.
- Some pathways can get muddy so sturdy footwear is required.
- There are also two boardwalks to keep you out of the mud.
- An opportunity to bring your long lenses and pick up a few tips from our wildlife photographers. Also a chance for some macro photography.

For further details of this nature reserve please visit their website:-
<http://www.first-nature.com/waleswildlife/sw-nnr-crymlyn.php>

We will only open the Crypt for a workshop style evening if weather conditions prevent us from proceeding with the field trip. Please bring your camera equipment regardless of weather conditions.

Thanks to Paul Dennis for arranging access to the car park for us, after the normal closing time of 6.00 pm.
